Forward Looking Statements

Certain statements and information in this press release constitute "forward-looking statements." Certain expressions including "believe," "expect," "intends," or other similar expressions are intended to identify the Partnership's current expectations, opinions, views or beliefs concerning future developments and their potential effect on the Partnership. While management believes that these forward-looking statements are reasonable when made, there can be no assurance that future developments affecting the Partnership will be those that it anticipates. The forward-looking statements involve significant risks and uncertainties (some of which are beyond the Partnership's control) and assumptions that could cause actual results to differ materially from the Partnership's historical experience and its present expectations or projections. Important factors that could cause actual results to differ materially from forward-looking statements include but are not limited to: (i) adverse economic, capital markets and political conditions; (ii) changes in the market place for the Partnership's services; (iii) changes in supply and demand of crude oil and petroleum products; (iv) actions and performance of the Partnership's customers, vendors or competitors; (v) changes in the cost of or availability of capital; (vi) unanticipated capital expenditures in connection with the construction, repair or replacement of the Partnership's assets; (vii) operating hazards, unforeseen weather events or matters beyond the Partnership's control; (viii) inability to consummate acquisitions, pending or otherwise, on acceptable terms and successfully integrate acquired businesses into the Partnership's operations; (ix) effects of existing and future laws or governmental regulations; and (x) litigation. Additional information concerning these and other factors that could cause the Partnership's actual results to differ from projected results can be found in the Partnership's public periodic filings with the Securities and Exchange Commission ("SEC"), including the Partnership's Annual Report on Form 10-K for the year ended December 31, 2015, as filed with the SEC on March 11, 2016 and any updates thereto in the Partnership's subsequent quarterly reports on Form 10-Q and current reports on Forms 8-K. Readers are cautioned not to place undue reliance on forward-looking statements, which speak only as of the date thereof. The Partnership undertakes no obligation to publicly update or revise any forward-looking statements after the date they are made, whether as a result of new information, future events or otherwise.
